

## Offices, laboratories and centers

### Head Office

- General Affairs Group
- Planning Group
- Accounting & Finance Group
- Public Communication Group
- Socio-economic Research Center

Otemachi Bldg. 7F, 1-6-1 Otemachi, Chiyoda-ku,  
Tokyo 100-8126 JAPAN  
Tel. +81-3-3201-6601

### Komae Area

- System Engineering Research Laboratory
- Nuclear Technology Research Laboratory
  - Radiation Safety Research Center
  - Human Factors Research Center
- Center for Intellectual Property & Technology Licensing
- Administrative Support Center
- Komae Operation & Service Center

2-11-1 Iwado-kita, Komae-shi,  
Tokyo 201-8511 JAPAN  
Tel. +81-3-3480-2111

### Abiko Area

- Civil Engineering Research Laboratory
  - Nuclear Fuel Cycle Backend Research Center
- Environmental Science Research Laboratory
  - Solution Center for Environmental Issues
- Abiko Operation & Service Center

1646 Abiko, Abiko-shi,  
Chiba 270-1194 JAPAN  
Tel. +81-4-7182-1181

### Yokosuka Area

- Electric Power Engineering Research Laboratory
  - High Power Testing Laboratory
  - Shiobara Testing Yard
- Energy Engineering Research Laboratory
- Material Science Research Laboratory
  - PD Center
- Yokosuka Operation & Service Center

2-6-1 Nagasaka, Yokosuka-shi,  
Kanagawa 240-0196 JAPAN  
Tel. +81-46-856-2121

### Akagi Area

- Akagi Testing Center

2567 Naegashima, Maebashi-shi,  
Gunma 371-0241 JAPAN  
Tel. +81-27-283-2721

Research Laboratory)

"Windmills silhouetted against twilight sky before dawn"  
Silhouettes of windmills in a wind farm are silhouetted against twilight  
sky before dawn. This image represents the potential for the development  
of renewable energy overcoming political and technical issues.
